

Housing for Everyone

Chicago must manage homelessness, deep affordability, preservation, and starter-home access as one housing ladder system.

Households that rent

Affordable & available units
for ELI renters

Estimated ELI unit deficit

4) Expand starter-home pathways for working families and first-time buyers.

- Publish housing ladder baseline dashboard by neighborhood
- Launch preservation + anti-displacement package
- Approve first integrated build-preserve-protect project wave
- Release quarterly delivery metrics publicly
